Hood's Texas Brigade Will Meet in Bryan, its Permanent Convention City, On Wednesday and Thursay, June 27 and 28, According to Word from Miss Katie Daffan, Life Secretary.

Hood's Texas Brigade will meet in annual reunion in Bryan on Wednesday and Thursday, June 27 and 28, according to a telephone message received from Miss Katie Daffan by Secretary S. E. Eberstadt o fthe Bryan and Brazos County Chamber of Commerce. She stated that the program for the reunion would be forwarded in detail soon. This will be the fourth consecutive annual reunion to be held in Bryan; and, last year. upon invitation to that effect, the delegates present accepted a plan for making Bryan the permanent city at which all re-unions will be held in the future. Bryan is truly on the map as a meeting place for State gatherings and the hospitality of Bryan people is becoming famous all over Texas.

Mr. Peters would only take advantage of their said that he was born in Bryan but possibilities. In explaining his left this city when he was three years classification, he stated that he was old. He just stopped off in Bryan nothing more or less than a pipe transmitted from experiment stations, colleges, etc., to those en-gaged in actual production. He suggested to the Rotary Club that it hold one meeting per month in the rural districts of Brazos county for the reason that Brazos county's prosperity and all our prosperity is dependent upon the welfare and success of the agriculturists. All ton, while attending A. & M. College Rotarians agreed that Curtis "knows his stuff."

Invitation by Boy Scouts Rotarian "Everready" McAdams was full of the spirit of Rotary at th's meeting, and asked leave to "butt" in on the program with a discussion of Rotary Code of Ethics. It may be that Mac is not a Quaker, but he was undoubtedly moved by the spirit in his address. A report of the Educational committee, previously appointed by the president, W. S. Barron, through the board of directors, recommended that the educational fund be contributed by Ro tarians and interested Bryan citizens and administered by the board and that the board in its discretion supplement the fund from the club income. Song Leader Moylan S. Bird being absent from the meeting, Gabe Cazell was called on to serve in this capacity. Old Gabe, in his happy frame of mind, made everyone sing and had three or four of the Rotarians to lead at least one Rotary song. The club accepted an invitation of Rotarian Barron speaking for the Boy Scouts, to vis't the Scouts at the time of their annual camp on the Brazos river and

Too Greedy Polecat C. Egbert Jones, manager of the Cole-Jones ranch near Jones bridge, reports that he lost 85 fine S. C. White Leghorn pullets one night, the "thief and murderer" being none but one single polecat, which stayed on the job so long that its life was lost at the fire of a well-aim ed shot gun early the next morning. Mr. Jones says the loss was about \$125. It seems that some varmints like some people, have no "quitting sense." That pole cat was too greedy.

Millican Club Coming and girls' The Millican boys' club had a verp fine meeting on last Thursday afternoon, nearly every club member present reporting projects in good shape. A large number present manifested a desire to attend the county-wide club encampment June 26-29 and to take part in the several contests to be held at that time. Prof. T. A. Diversified Farming A visit to the farm and home of

Henry Kurten, Kurten, Texas, will reveal a program of wide diversified farming-corn, cotton, cane, hogs, cattle, both beef and dairychickens, turkeys, vegetables galore, running water in the farm home and many conveniences tending to make farm life comfortable and really pleasant. Mrs. Kurten manages the poultry industry, and, judging from the fine R. I. Reds seen about the place and the 200 young turkeys she expects to raise this year, not only bespeak her ability to handle the poultry on the farm. but also gives promise of wonderful success with her R. I. Reds and her strutting Bronze turkeys. Mrs. Kurten is partial to the turkeys saying that "chickens cost money to feed but turkeys feed themselves."

Highest Egg Records The Southeast Poultry and Swine Breeder, May 15, gives among the rds the following: "Highest individual egg record to date was made by a Black Orpington at Geeland. Australia, 1919-1920 consisting of 339 eggs." World' highest individual egg record by White Leghorn, was made at West ern Washington Egg Laying Contest, Puyallup, Washington, 1921 1922 contsisting of 335 marks eggs." In the Illinois contest Barred Rock broke the record during February and March by laying 54 eggs.
